# Allocations and Submissions

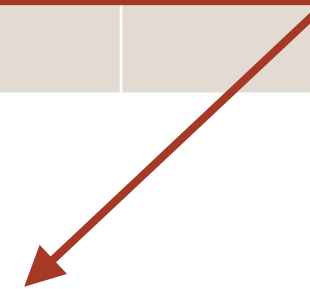

Business Meeting	Paper Sessions	Roundtable and Poster
1	10	36

	Symposia	Individual Submissions	Total
Submitted	8	104	112
Disqualified	-	1	1
Accepted	3	58	61
Rejected	5	46	51
Acceptance Rate	37.5%	55.77%	

AERA received a total of 11,141 paper and session submissions for the 2017 meeting.

## So, who's submitting?

First Author	Symposia	Individual Submissions	Total
Faculty	8	58	66
Students	0	45	45
Total	8	103	111

That's about 41% of all submissions.

# Collaborative proposals: Symposia

Of the 8 symposia submissions ...	Accepted	Rejected
Those representing a single institution	0 (0%)	1
Those representing multiple institutions	3 (42.9%)	4

We seem to value  
cross-institutional collaboration.

# Collaborative proposals: Individual papers

Of the 103 individual submissions ...	N	Accepted	Rejected
With authors from a single institution	70	32 (45.7%)	38
With authors from multiple institutions	33	24 (72.7%)	9

We seem to *really* value cross-institutional collaboration.

# Collaborative proposals: Individual papers

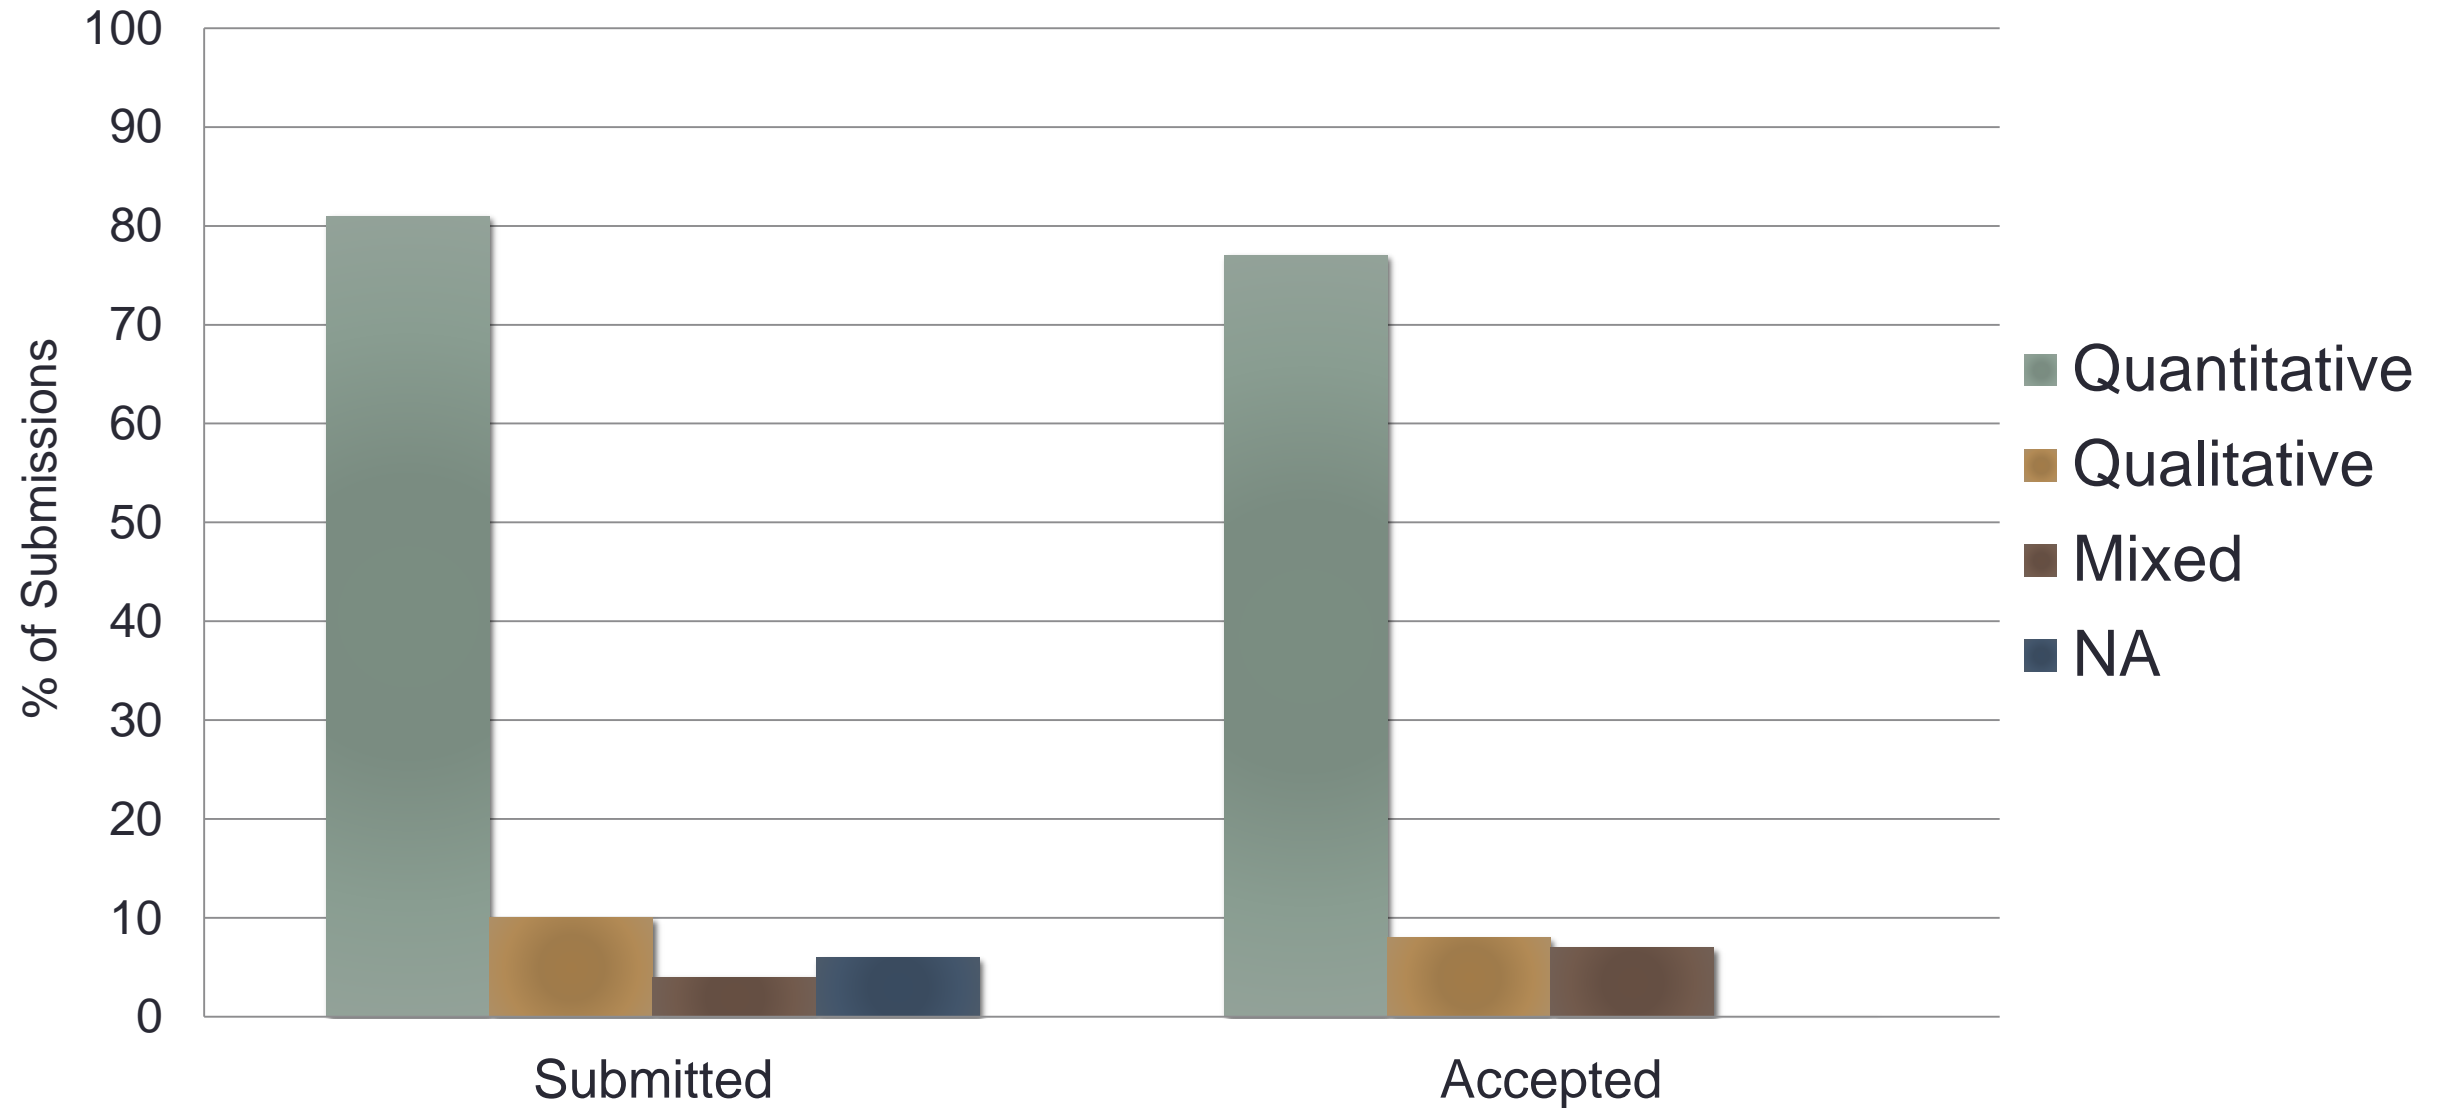

Of the submissions ...	N	Accepted	Rejected
With single authors	19	3 (15.8%)	16
With multiple authors	84	54 (64.2%)	30

We seem to *really, really* value collaboration.

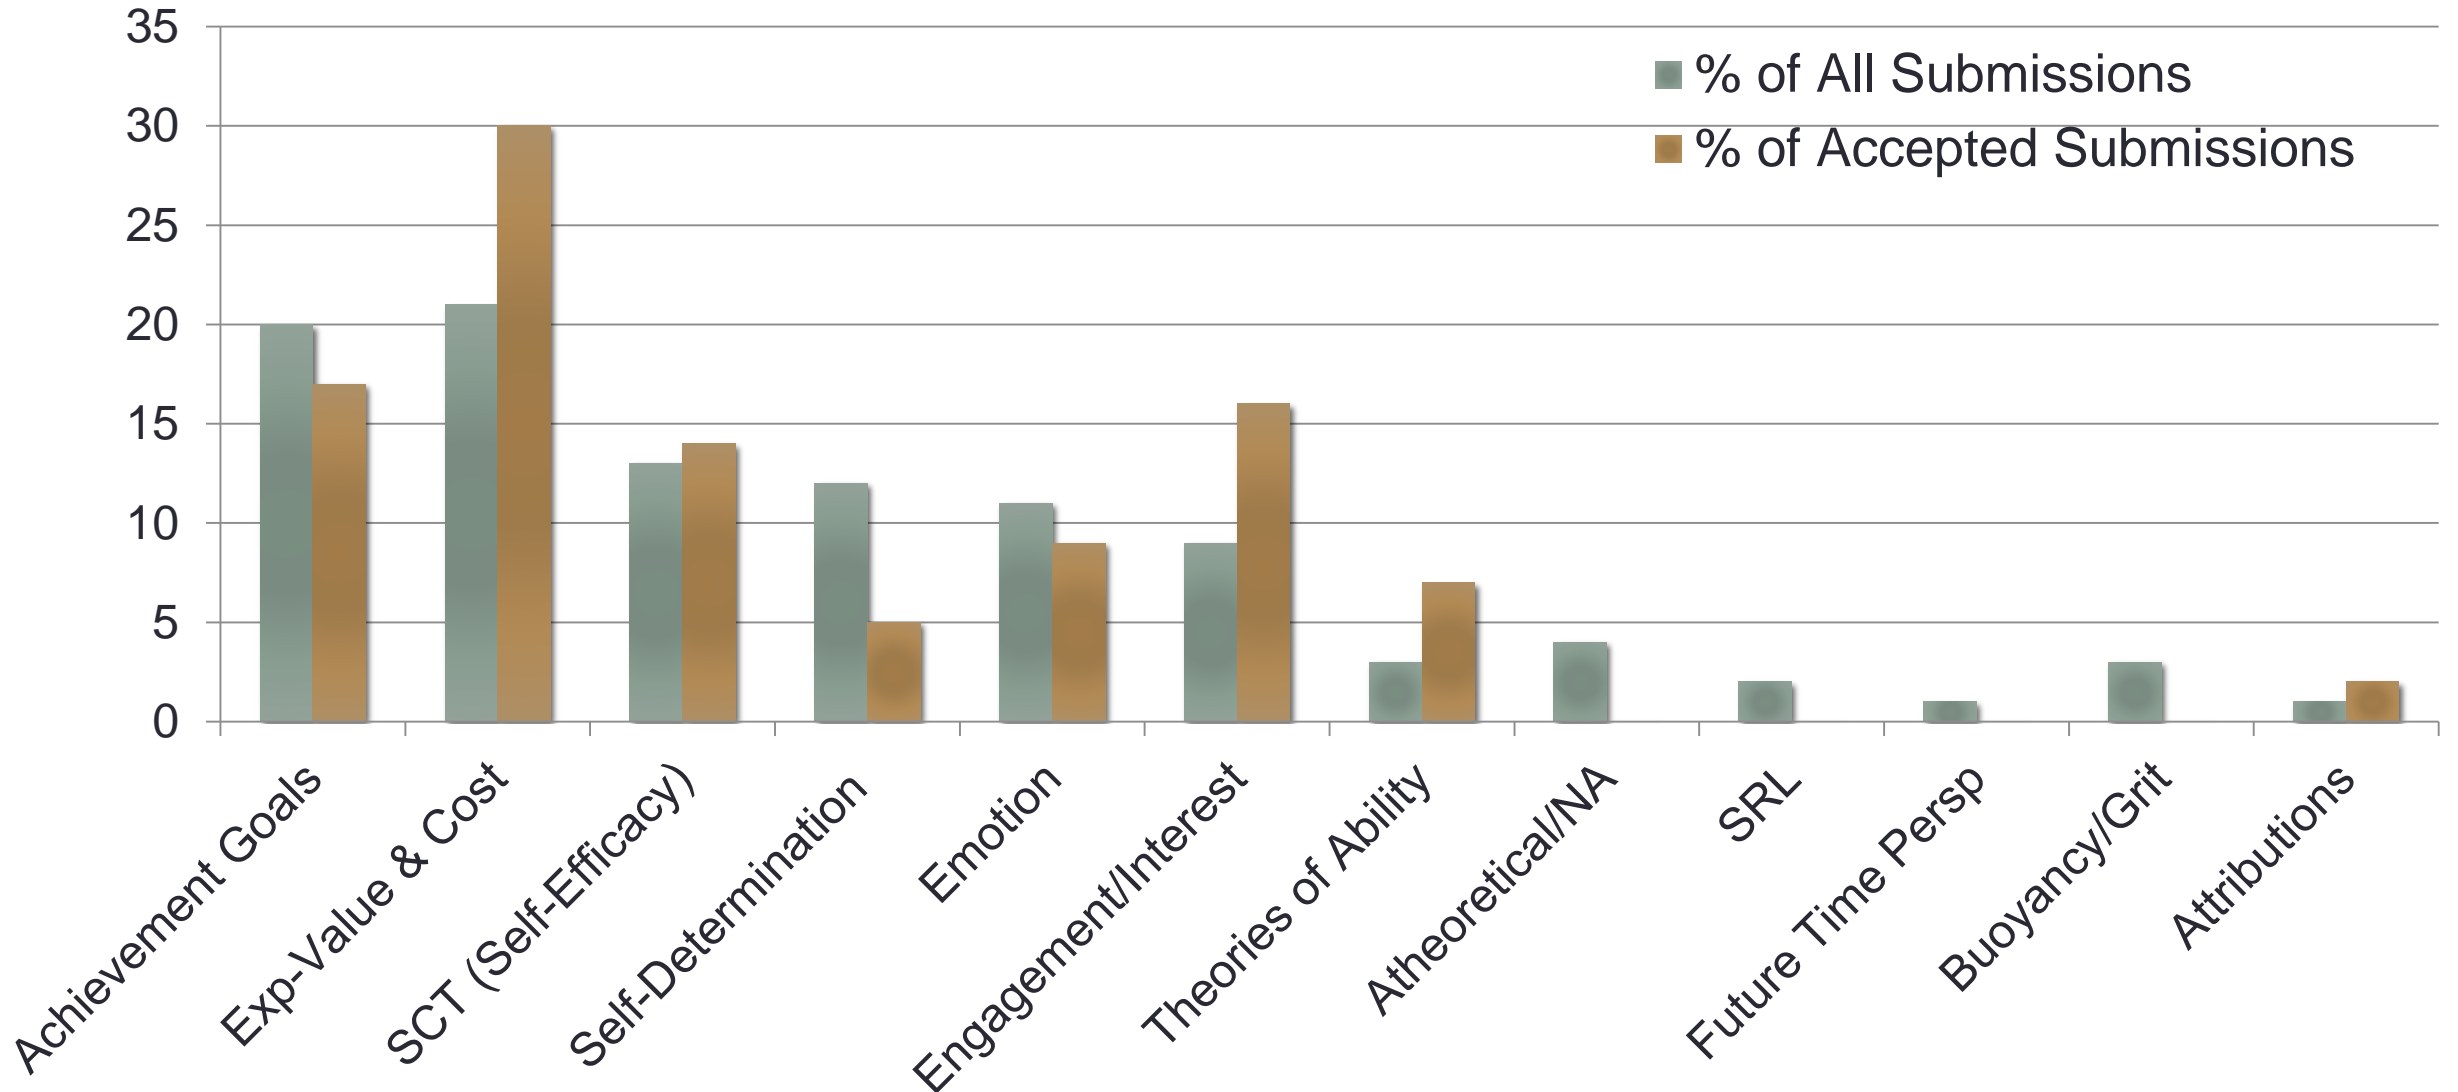

No, *seriously*.

# 2017 SIG Expenses

- Business Meeting
- Student Awards
- SIG Management

# SIG Finances: Looking ahead

- New York City will likely be \$\$\$ for our SIG.
- How might we think of using funds *if we have them*?
  - Student support?
    - Travel awards?
    - More mentoring (e.g., lunches with scholars)?
    - Support the joint graduate student social with Division C?
  - Engaging practitioners in our SIG by supporting travel?
  - Offsetting cost of SIG dinner?
  - Other?

# Feedback from Graduate Students

- Annual post-AERA survey of SIG graduate students ( $n = 51$  in 2016)
- Purpose: Seek students' opinions about SIG support and events
- Highlights from 2016 report:
  - All events were generally rated very highly!
  - Suggestions that we addressed:
    - Explain selection for “Lunch with a Motivation Researcher”
    - Improve coordination with Division C
    - Improve structure and publicity of mentorship program
    - Keep SIG dinner costs down and require sign in
    - Create more variety in SIG program

# Staying Involved

- Join our Facebook page: “Motivation SIG Grads”
- Expect a survey a few weeks after AERA 2017
- Contact us with questions and ideas!
