

Postdoctoral Fellowship

The **Canada Research Chair on parenting and academic and vocational trajectories** (www.parents-education.chaire.ulaval.ca/en/) and the **Canada research chair on academic motivation, persistence, and achievement** (<http://www.motivation.fse.ulaval.ca/en/>) announce a postdoctoral research fellowship position in educational psychology for the 2017-2018 academic year. This position is supported by the Social Sciences and Humanities Research Council of Canada and the Canada Research Chair program.

The research projects of the research chairs aim to understand the factors that facilitate or hinder students' motivation as well as the ensuing consequences.

The postdoctoral fellow will work closely with the chairholders, Professors Catherine Ratelle and Frederic Guay, who are also members of the Research unit on children's psychosocial maladjustment (GRIP).

Requisite skills and competence

- Ph.D. in education or in psychology
- Strong research background
- Statistical expertise in the analysis of longitudinal data
- English writing skills

Conditions of employment

- An annual stipend of 50 000\$ (CND) per year is provided (renewable for a year).
- The fellow must work closely with the chairholders.
- The fellow will have an office and a computer.
- The fellow must make a strong commitment to publish results of his/her research.
- Université Laval is a French-speaking University but the fellow does not need to speak French to be admissible to the position.

Applicants should send:

- A copy of their Ph.D. diploma
- A detailed curriculum vitae
- A statement of purposes
- Two letters of recommendation

Emails may be sent to Genevieve.Boisclair-Chateauvert@fse.ulaval.ca

Review of applications will start August 28, 2017, until the position is filled. The position is set to begin October 1st 2017.
